17. Prudence Crawmer- yes
18. Zachary Reese- yes
19. Zano Rana- yes
20. Ryan Maikell- yes
21. Alexis Musgrave- yes
22. Kimberly Reeves- yes

Hannah first motioned, Kalya seconded.

10:15am

- Pru will post updated meeting minutes on GAF Canvas
- Officers updates:
 - Zach updated the GAF Budget Temple on Excel
 - Natalie will upload Budget Temple to GAF Canvas
- Construction projects
 - Committees thoughts are to have construction projects be sent to UCCS, not GAF, as GAF is a stepping stone for new sustainable projects
- Kimberly met with Zano and Lexi discussing GAF newsletter and marketing and advertising on Canvas
- Kimberly is going to contact the faculty resource center about adding students to GAF Canvas, which they will open be able to view certain GAF detail.
- Large grant application (Over \$15,000) due 10/24 and small grant application (Under \$15,000) due 10/30
- Natalie will give tutorials on how to complete online Canvas rubric's

10:15am

- Lexi and Zano update:
 - On the GAF Teams shell, all executive members please fill out Executive/Senior GAF Questionnaire form
 - Bios will be shared in GAF newsletter, which will encourage other students to join
- Two officer positions (Co-chairs) will be opening for Spring 2021
 - Ryan is interested in replacing Hannah's position
 - Officer descriptions can be given to interested applicants from Kimberly or visit the committee role descriptions in the GAF committee manual
 - Please treat these officer positions as an internship
- Natalie will contact the two students interested in joining the GAF committee
- Kimberly reached out to the Engineering Dept. about potential GAF committee members
- Ryan will create GAF LinkedIn
 - Find alumni's to join
 - Kimberly can help you with your personal LinkedIn page for being part of GAF
- Kimberly will create Stole designs by next meeting (11/6)
- Previous GAF projects can be found on the GAF website
 - These are previous projects that still need to be updated on the GAF website:
